The Premises:

Established parlour near the town centre and train station, quiet residential area and good parking. Venue is clean, maid friendly and chatty in the time I had to wait for WG.

The Lady:

Chantelle is 24, English, very busty, size 12-14 and very very sexy. Pierced tongue, nipples and clit are great fun to play with. Attractive eyes, great cock sucking lips and clearly enjoys her job.

The Story:

A fantastic punt, paid 100 to fuck her twice in the 30 min visit and was one of the sexiest experiences of my life. Started off with her laying me down on the bed and her going down on me (uncovered) with those great lips and took me to heaven and back(lol). She paid plenty of attention to my cock and balls, and the way she sucked my balls in particular was sensational. 69ed for a bit and then came inside her (covered of course) doggy style, after which she licked me back to life and we went at it again. Made me promise to come back and have her again the next Friday, and only the bank manager could keep me away!
