The Story:

this young lady is a hidden gem as i noticed there had been only one other review written for her. she answered the door as requested and looked stunning. after a quick drink we engaged in some wonderful DFK whilst i moved her thong sideways and played with her pussy as she got her hands to work on my cock!. i then inserted one then two fingers into her pussy which at this stage was very wet.we then adjourned to the bed where we played with each other. grace then gave me some wonderful OWO before we indulged in some 69 action. i was very impressed as she asked if i liked her sucking slow or fast . the eye contact was excellent throughout. she then gave me a toy show at my request with her rabbit during which she came vigorously. then on with the condom and some serious fucking in miss, cowgirl and standing from behind in front of the mirror. god she looked good as i pounded her from behind. after the first shot we adjourned to the bed where she managed in spoons to get a second climax from me. she is not a clock watcher at all and i really enjoyed the cuddling between sessions. guys please treat her well she is great!see you again babe m xx
