The Lady:

As per web-site Nice looking blonde with a big pair of tits with sensitive nipples

The Story:

Brief massage given by the lady before condom applied for some oral.

Never really got excited but managed to get him up easily enough. Sex in a couple of positions before shooting my load. Never gelled with this lady to be honest I felt a bit uncomfy with her which is a shame because she's nice looking with a nice body. Also sorry to say but wish some ladies would "clean and scent" their bits! not nice.
