As per web-site

This lady as well as looking good also smelt nice "allover" no off putting smells from her.

The Story:

Two ladies on Candice and Jessica chose the latter as I had not seen her before. Sorted fee in room then stripped and had a shower the lady left the room. Whilst drying off Jessica returned good timing on her part beats been left to wait. She stripped off to her knickers and gave me a massage to my back and front whilst chatting to me. She gently masturbated me to erection all the time making sure I was ok.

She applied the condom and gave me some oral by which time I was ready for sex. Asked which position I wanted and asked her to go on top told me to tell her to stop or slow down if it was too much very thoughtful. Had sex in doggy position and at the same time she was playing with herself I also started to gently stroke her pussy which she was clearly enjoying. Turned over for some more sex in missionary whilst she also licked and tweaked my nipples before I finally came. This was a very good punt probably the best form there and nearly as good as Christina from Dewsbury. Would definitely go back and see this lady
