The Premises:

Ella's flat is set a nice quiet upmarket area of Torbay. The area seemed very safe with few people about, and those that were appeared to be well heeled. Parking is on the wide street but was no problem with ample spaces at least during the day, and I had no worries about leaving it. The flat is self contained in a large converted house. The flat was warm, clean and well lit. The room of a fair size. The bathroom had shower and wash basin soap and clean towels were available at each.

The Lady:

Ella is a german lady with excellent english. She has dark hair and about 5'5" tall, slim with a medium bust. A nicely proportioned person.

The Story:

Ella let me in and offered a drink of tea or coffe etc. After the paperwork was out of the way (I settled for a tie and tease session) I was told to undress. Ella was excellent! She certainly knows her job and gave ame a great time ending with great sex. Ella was great at knowing exacly what buttons to press and when. Her oral skills were good as was her finger work. The time went very quickly. Next time (and ther will be one) I shall book an hour. A wash or shower are offered before and after and at no time did I feel rushed or hurried (not a clock watcher). A great find in this part of the world.
