She visited me at home, Was bang on the time she said she'd be here looking super hot indeed :D

The Lady:

Well what can i say, shes definatly 1000% times better in the flesh :D
Very very sexy lady indeed, very polite, friendly and just happy to be here.
Gorgeous legs and an arse to die for, not to mention her perfect boobs :)

The Story:

She came in, we spoke for about 15 minutes and then she performed a strip tease for me which didnt last very lon g due to the fact she wasnt wearing much :)

She walked over so i could run my hands over her stunning body, then we went up stairs where i proceeded to get naked as well, we kissed passionatly for a bit while exploring each others bodys before going into 69 where she sucked me soo nice!!
Her pussy tastes soo sweet.. cant wait to taste it again :) Mmmm

We then had some of the best sex ever.. We started doggy style before she hopped on top untill i cudnt take much more :)

Afterwards we had a drink and another little chat before going at it again... :)

Really enjoyed myself and hope she did too :)

There was a very calm and relaxed atmosphere and no clock watching which was good too :) xx
