The Premises:

Claire's place is located in rural west Berkshire, its a fabulous property, i felt very safe, i even left my mate tom stuck to the front windscreen of the car. (slightly off topic but the water tastes gr8)

The Lady:

second time i have seen Claire 1st time was with Trisha on Monday and i was back again on Thursday to see her on her own, i will let you do the maths the ladies were so good i just could not help my self from going back, and will deff be returning.

The Story:

Claire is super sexy and has a fabulous personality and is very down to earth and genuinely enjoys what she does.

I have reported on a mff 3sum i had with Claire and Trisha, the service which Claire provides is just perfect the ultimate MILF/GILF, PSE & GFE experience rolled into one.

Beautiful kissing Claire has amazing lips both up stairs and downstairs, the most amazing OWO guys its just out of this world, i promise you that you will not have experienced anything like this before.

Claire dose not clock watch and the whole experienced is just so relaxing.

I know for a fact that i will be going back many more times.

Guys if you do decide to to pay Claire a visit please look after her as she is a real star !
