The Lady:

Her website is lovely, I was impressed with her photos although her face is blurred. Anyway the photos are accurate and recent. Beautiful young blond girl.

The Story:

She greeted me at the door with a cheeky smile. I was quite nervous as I didn't know what to expect, she made me feel at ease and gave me a very relaxing massage which became very very erotic in just a few minutes and ended with a nice hand relief.

It was a good overall experience and I will return next time when I will be in London.
