The Story:

Daisy is a very sweet girl, but sadly her service is rather mechanical.

She answered the door looking gorgeous in her bra and panties, we exchanged a kiss on either cheek and I followed her into the bedroom. Handed over the cash, which she counted in front of me, it was ?20 short, and I hastily handed over the last note, apologizing profusely. Showered, returned to the bedroom. We hugged, I asked her if I could kiss her, she obliged, but no FK. Onto the bed, covered BJ. Then DATY, this girl is truly beautiful inside and out. She moaned and groaned, but I got the impression it wasn't really genuine but done more for my benefit. Then mish, followed by doggie to completion. She has a knockout body and being inside her was heavenly, but again, I sensed that she just wanted me to cum, whereas, I wanted to fuck her in as many positions and for as long as I could.

There were no open windows in the bedroom, so I showered again, returned, chatted a bit, and left after about 45mins when she called time up. I left not feeling great nor like a sexgod or a king, but rather bemused. For the record, I'm 34, average build and not unattractive, so it's not like she was having to shag Jabba the Hutt.

In summation, she's a serious hottie with an incredible body and possibly the sweetest pussy I've had the pleasure of acquainting myself with. But the downside is the lack of passion and joy in what she does. She flashed her beautiful smile rarely, had poor eye contact and blatantly wanted to get it all over with. She made no attempt to initiate a round 2 and was distant throughout.

Daisy is a charming and lovely girl, and maybe others will hit it off with her better than I did. But my impression is that her heart is not in it and she is just going through the motions.

Still, the agency was impeccable.
