### The Story:

Marnie is just as good as ever. I have visited her for a number of years and the whole establishment is excellent.

After a coffee downstairs I went up and was warmly welcomed. Marnie loves sex and after some lovely oral both ways she climbed onto my dick. We moved on to a long doggie session and an even longer mish with her legs wrapped around me. She is superb at keeping you just below boiling point and I had a very long, powerfull cum.

A big smile on my face for 2 days!!
