The Premises:

I've been here before back when it was HOD. Place is still nice and clean. Easy parking right outside on a weekday

The Lady:

The pics on the site are very accurate. She is a gorgeous Brazilian with shiny dark skin, pert boobs, a firm stomach, and she's around 5'4ish. You could comfortably pick her up and walk around with her

The Story:

I was greeted at the door by a stunning lady who I shall forever know as 'The Voice', although she was previously known as 'The Arse'. Both of these nicknames are suitable as both her voice and her arse are very cute. She showed me to the room and offered me a drink, but I was a little nervous as I hadn't done this for a few years and the huge intake of water beforehand had gotten the better of me so I declined and used the bathroom instead. On my return I was told that Jenny would be with me soon, and it was only then I realised I was about 10 minutes early. I didn't have time to work out what this meant as Jenny entered the room looking stunning. I paid her and she immediately straddled me on the sofa, kissing my neck. She has delicious full lips, and was very receptive to some DFK. Her ass is the most peach-like ass I've held in a number of years, and so I caressed it as we kissed. She pulled down her dress so I could have a little play with her tits, which I was only too happy to do. After some time kissing and licking her entire upper body we moved to the bed. Now I must point out that I'd been told by another WG that her English isn't great, but trust me: she knows enough! On the bed I continued where I left off, kissing and licking down her body. Her pants were swiftly removed and so I kissed up her thighs. A light little bite on the inner thigh got her moaning, so some RO was soon the order of the day. I slipped a couple of fingers in on occasion and she seemed to enjoy, limited English and all. This girl gets VERY wet, which is great. After a while she was so turned on that she was holding my head in place and grinding into me as I was sucking on her clit until finish. We frantically kissed some more, as if we were lovers who hadn't seen each other for a while, before she pulled my boxers off and gave me some OWO, including some very gentle sucking of my balls. She quickly produced a condom and rolled it on for me before pulling me on to her to let me do my work. I was soon inside her, but a quick sideways glance at the

clock on the wall told me my time was up. Where does the time go?!?! However, Jenny didn't care. She wanted me to finish, so I had to go with the best option: legs up over her head, deep penetration. After some frantic headboard banging, it worked. Usual clean up job, we both got dressed, she gave me another big kiss and thanked me for coming/cumming???. If all Brazilian girls are like her, I think I've just planned my next vacation
