The Premises:

Clean modern apartment near shopping centre.

The Lady:

Dark long hair, slim and petite (no more than 5'3" at a guess) with mouth watering breasts and wonderfully firm arse.

The Story:

I brought along some white holdups to help recreate the look of her photoshoot on the website but it wasn't necessary, she had the original ensemble to hand.

Greeted with such a tender and sensual kiss that I had a sudden jolt of surprise when she whispered "how long do you want to see me for?" Almost forgot this was a paid experience! Quickly sorted and back into fantasy mode, and this girl really is a stunner.

Following on from the (light sensual, not DFK) kissing, Jenny turned around and rubbed her lovely arse against my hard cock, during which time I took the opportunity to remove her g-string panties and gently rub her clit, while embracing her from behind and she responded very well.

Turning around she performed OWO, first with me standing and her sitting on the bed, then with me lying down beside her. Once I was covered she mounted my cock and rode me cowgirl style at quite a vigorous pace and with evident enthusiasm. After a few minutes of this, mindful of the time I asked to change positions and she quickly got onto her hands and knees asking "like dog?" - impossible to resist the invitation really, her rear really is something to behold. Was just able to contain myself for a final change to mish as I really wanted eye contact with her as I came. A very satisfying climax, and with a few minutes still left on the clock she even offered a sensual massage while relaxing in the afterglow.

Lots of kisses saying goodbye, a sweet and gorgeous young lady who knows how to look after a guy.
