The Lady:

Pictures on website accurate, although her hair looked less curly than in the photos, and she was less made up (which was a good thing). Beautiful girl though. 20, pretty, lovely smile, a body that was just sheer perfection. Nice legs, amazzzing arse, lovely natural breasts. Nice tattoo on perfectly flat tummy. really, really sexy.

The Story:

Not sure what hadn't quite appealed to me about this girl from her pictures as I did not try her for quite a while. Which was a shame as she was as good as any girl from this agency, and I may have to revise my opinion on eastern european escorts that I normally shy away from.

She walked in, looking great. Lovely warm smile. Chatted for a bit, her English is good. Went into the bedroom and she stripped off. What a body. Cuddled for a bit, then got into bed. We kissed, and she's a good kisser. Gave her a massage which she seemed to enjoy then gave her some oral, which she also seemed to enjoy. Some oral with, then we had sex for ages in all sorts of positions. She was very passionate and responsive, and keen to please.

Somehow the details seem to hide what a fantastic experience it was. Not sure if she is like that with everyone, but we just connected so well. It really was like making love to a girlfriend. Soft then passionate. Then she cuddled up until it was time for her to go.

Have to say, she is possibly the nicest girl I have seen from Bubbles since Vivianne, and she was a legend. Top class, and absolutely adorable.
