### The Premises:

Nice cosy and small flat in a discreet area, however I found it a bit difficult to locate. Definitely felt safe and secure.

### The Lady:

A gorgeous girl with tanned skin, long brown hair and a very attractive figure.

### The Story:

I arrived on time and was greeted to the sight of Eternity, wearing a silky black gown and purple high heels. I was a bit nervous about seeing her for the first time but she instantly put me at ease. I gave her the money and then was treated to a shower, after which she herself showered me with kisses and led me back to her bed. There was a lot of chemistry present, and soon we were cuddling and fondling each other. Then the fun started, more KWT, licking her body all over, sucking her natural boobs (which clearly aroused her), a good shag. She was so anxious of making sure I was having a good time, even to the point where whenever she got my 'sweet spot' and I sighed, she thought she was hurting me and apologised (she wasn't), bless her. Eternity finished me off with amazing OWO/CIM, taking my juices fully in her mouth. Took a quick break, during which we got to know each other more, and then time for round 2, which was more of the same - further OWO, handjob and FJ. Overall the GFE was superb.

Eternity is really interesting to engage in conversation with and she is clearly very intelligent.

As an aside I've seen a couple of negative reviews elsewhere on the Internet regarding Eternity, and I've failed to understand them, after all, I had a lovely time with her and hopefully I'll be seeing her again.

Guys, treat Eternity with respect and you will be rewarded.
