### The Story:

Min Min IS BACK !!!

Those that met her before she vanished last year will know this means one of the sexiest escorts ever to work in London is providing her incomparable service again.

For those that don't know her, well in rather more years of punting than I care to admit, or remember, this is the sexiest companion I have ever spent an hour or two exploring just how much pleasure you can enjoy. Perhaps three examples will give an idea...

First, after a prolonged session in the bath where she proved that she remembered how to bring me to the brink and then keep me there while stopping me coming she quite unsolicited grabbed my hand and stuck my finger in her pussy, then positioned so that a stream of warm pee hit the tip of my cock while I tickled her pussy. When the flow stopped she bent down and delicately licked the tip... I am still not sure I am into WS, but damm that was sexy/kinky!

Second, after a lot of mutual play with egg-shaped vibrators she put a condom on my cock - with her mouth - and then one on a vibrator which she slid gently into HER arse. Then in cowgirl she slid onto my cock, and by watching my reaction positioned herself so that I was getting the maximum stimulation from her tight pussy and the vibrations transmitted through from her bum.

Third, when the extreme stimulation of the vibrating pussy in various positions became too much and as there was still time left I requested a rest. I then offered to help taking the vibrator out of her bum thinking that while it might feel nice for me, she may not want it up her arse for longer than needed... she declined, saying with a shy giggle that "it feels good"! She kept it in until after her

slow skillful oral meant I had reached the inevitable explosive climax, and then she continued with very gentle touch extending the pleasure for several minutes.

This is one very sexy lady. I suspect she would be up for just about anything you might suggest, and if you lie back and do nothing she will suggest or try stuff to see if you like it, quite prepared to take the initiative. This has included in the past; various games with handcuffs and toys, bananas, a blowjob with an ice-cube in the mouth on a hot day, a spray-can of whipped cream, ice-cream, chocolate....

A list of what she can do however misses out the spirit of sexy fun, the giggles and enthusiasm that Min Min brings to the whole thing.

I expect most of those who 'punt' are familiar with the disparity in enthusiasm between our own search for pleasure and enjoyment and the much lower level of keenness that most of the escorts have to provide or enjoy it. Min Min is one of the (very) few who is apparently as enthusiastic about having fun as the punter.

Treat her with respect as an equal partner in your pursuit of pleasure and enjoyment and you will have an experience that is likely to be a cherished memory for ages.
