The Lady:

Cute girl with stunning eyes. Her hairstyle is a little more funky than the pics let on. However, attractive overall and I was quite happy when I answered the bell.

The Story:

Cherry put on her red "Baywatch swimisuit" that I had requested and looked so hot when she walked into my bedroom. We soon indulged in DFK with followed by some excellent OWO and deep throat. Then we tried various positions and she rode me very energetically. Finished over her boobs. Was tired and didn't go for another round even though it was on offer. Nice girl, nice services but for some reason I felt I really didn't click with her. Would recommend.
