### The Premises:

A small shared ground-floor flat in a sidestreet near the A3, not visible from the road. I parked my bike in the next street for discretion but felt it - and I - were safe.

### The Lady:

In her mid-twenties, athletic build, slightly tanned, small but firm breasts and toned legs. Blue eyes and a pretty face. Still has a noticeable Polish accent although her English is good. A large butterfly tattoo on her lower back.

### The Story:

Ana was wearing a blue dress which came off to reveal lingerie which she then removed. She has a lovely, toned body and a delicious smile. She offered me a massage with oil and after that we got down to other activities which were very pleasant both at the time and to recall now. She is no clock watcher and we lay in bed talking for a while afterwards - she is good company and we found much to talk about - dogs, languages, travel... Very much a GFE, which I prefer. I hope to make use of her Outcall facility in future as I live not far away.
