### The Story:

I went to see Rebecca as i had already seen her friend and wanted to see them both before i booked for a threesome.

On arrival i was offered a drink and shower. After i had my shower i was offered a massage to relax me before getting into the naughty business. Rebecca loves kissing and after some foreplay we proceeded to some shagging! Rebecca is very vocal and seems to really love her job.

We relaxed for a bit with some kissing and chat before i was ready to go again. I asked for a blow job with cum in mouth which Rebecca was happy to do.

After seeing both Rebecca and her friend i am now really looking forward to our threesome in the near future!
