The Premises:

Edwardian Chic

The Lady:

Spanish with good English. Wonderfully toned, lightly tanned body that only a twenty-something could possess. Her generous breasts are firm and succulent. Long blonde highlighted hair. From behind her luscious pussy is framed by the most exquisitely pert and peachy bum cheeks.

The Story:

A new venue for me; well away from my normally punting zone. Located near town centre in quiet leafy avenue. Off street parking may be available I didn't check as I prefer to stroll in on foot. Amy greets you at the door and knows your name. Nice touch.

Unfamiliar menu-driven service provision was not a problem for a Vanilla man but if you've got more challenging tastes you might need to be quick at arithmetic. An abacus is not available. The basic course for ?50 is OW+FPS, anything else is extra.

RO is a must for me ? a welcome choice as her pussy was delicious. She moaned and shuddered at the touch of my tongue. She jacketed the old man and gobbled hungrily while I continued to caress her pussy with fingers and tongue. I felt like a celestial demigod feasting on a jeroboam of nectar; my cock was in seventh heaven and my tongue in cloud nine.

For the main course we started in mish. We fucked in this position with a number of variants for what seemed like an age before converting to doggy. The sight of her peachy arse and feel of her labia pulling on my shaft almost sent me over. To ease off, we changed to spoons before she sent me off with a rollicking cowgirl.

My first punt for several months proved to be a very satisfying experience with a lovely, sweet, charming, young woman.
