The Story:

This was one of PP,s Naked Brunch parties, held from 1300 until 1700, very good value for the ?70 charged. I was let in and my valuables were put in a safe place and I was introduced to Paula and Maria. Paola gave me a guided tour and pointed out the bathrooms and handed me a towel so that I could take a shower. There were only three other gents attending, when I had finished in the bathroom I looked into the large bedroom and saw that both girls were occupied, Paula was giving a covered blowjob and Maria was riding another man on the bed on the opposite end of the room. I stood and watched tha action on the beds and on the porno videos that were showing for a few minutes before going back downstairs for a cold drink and chatted to the only other guest. About five minutes later Paula walked in, took my hand and led me back upstairs. I dropped my towel beside the bed and lay on my back, Paula rolled a condom on my erection and sucked me into her mouth. She continued to suck me until I indicated that I wanted to fuck her. She then squatted over my prick and guided me into her. She rocked back and forth until we changed to doggy position and I was soon filling the condom. She then handed me some wet wipes.

Back downstairs for another cold drink and a few snacks. The two girls appeared again and then it was Maria,s turn to take my hand and lead me back to the bedroom. Maria is a VERY attractive young girl with a superb figure, she wore a tight, very short black dress which she soon rolled down to expose her breasts as she placed a condom on me. Her blowjob was great with lots of tickling my prick with the tip of her tongue. She has limited english but understood when I asked her to get on her back, she held herself open to me as I slid into her. She pressed herself hard against me, wrapped her legs around my waist and tried to pull me deeper into her. After a few minutes of deep thrusting I came for the second time. I tried to roll off her but she held me tight for several minute before letting me get up.

Time for another drink and relax. Paula and Maria were only in the kitchen for a short time before

they took one gent, who appeared to be a regular upstairs, about ten minutes later I looked into the room to watch the two girls as they serviced him. Maria was sitting on his face as Paula was giving him a blowjob. I left them to it.

Two more men had arrived and the girls were busy. By now I thought that I had finished but when Maria slipped her hand under my towel to squeeze my prick I decided to have one last session with her. I was very glad I did, she soon had me hard again and when she sat on me it felt as if she was milking me dry, I cannot remember a more powerful orgasm. At my age to cum three times in as many hours is remarkable, I hope to return in the near future when I am next in London. Thank you girls!!!
