The Lady:

Lara in real life is just as her photo's on the website. Facially quite beautiful with long dark hair which she wore up some of the time. She has a firm body with nice natural breasts and a classic latin ass.

The Story:

From the off I was struck by her stunning looks, but within moments Lara had engaged me in a swirl of caresses and non stop french kissing which characterised much of the 45 minutes. Normally I am a chatterbox and get as much pleasure from the social intercourse as I do from the sexual variant. In this instance our mouths did not disengage long enough to learn much of each other. Reverse oral, ball sucking, 69, Cowgirl, missionary, and a satisfactory conclusion. She is really lovely and I can't wait to see her again.
