The Premises:

In a rather posh apartment in the new redevelopment in Paddington. Parking had to be found and was about 1/2 a mile away before I could find anything. Fifth floor flat with sheetless bed. Very spartan.

The Lady:

As per the photos - long black hair and small bust (A cup rather than B) Both 'natural' it seems. Petite build. Spanish / Romanian mix apparently.

The Story:

I am starting to get paranoid about the fact that the last 3 FRs I have posted have been negative ones. It's like I only post to complain and, generally, I have a fun time punting, so I will definitely try and post a positive review next time I find a good girl. Sadly, that's going to be 'next time' and not 'this time'. And that is because I have another review to write where I don't rate the girl in question.

Did she do anything wrong? Not really, more a case of not doing anything right. Kissing was tight lipped and head turned and I love a bit of a snog and cuddle. Once again it was a case of the girl expecting me to 'undress while I am away' - which is such a strange idea to me. Undressing each other is just so much fun. O was with which is a turn off for me. No real foreplay, just a wellie and quick suck then 'sex?'. And even that was with her hand around my old man for the duration - even going so far as to grab it and pull it out of her when I was about to pop. Pretty unimpressive all round I'd say.

At that point I should have cut my losses and left, but she actually seemed to be able to talk a bit, so a relaxing chat later she tried a massage. Not a patch on a Thai girl, but nice that she made an effort. I tried a little playing with her to get her in the mood and managed to bring her to climax, which, sadly, did not change her attitude to me. Still another harsh wellie and hand around my base for round 2. Quick shower and I was out with 15mins to spare.

So a bit rubbish all in all.

There are good girls out there - honest. But not this one. She's very good looking, quite sociable, but not very good at being a working girl. Maybe I caught her on an off day, but I doubt it. I won't be returning and can't really recommend either. Which is a shame. Still, plenty more girls out there.
