The Premises:

Hotel close to High Street, Kensington tube. No problem with access via the lifts to the room. Shower facilities were a bit dated but no reflection on Kelly!

The Lady:

The pictures of Kelly on Maxes website are accurate. Kelly is around 5'3" tall, size 10, blonde with massive tits. However what they do n't show is her wonderful personality & general desire to show you a great time. I have met with Kelly in the past but have n't seen her for over a year. During that time she has had her boobs increased to "G" & boy they are really lovely (see later!).

The Story:

Well this girl is "sex on legs!" She is up for almost anything & genuinely enjoys her job. I guess the term "nymphomaniac" comes to mind. Round 1 started with her blindfolding & handcuffing me, dildo up my ass & a deep BBBJ. She then put on the jacket & proceeded to shag me in cowgirl. She released me after a while & we moved into a 69. I shagged her from behind against the mirror & then in mish. Would I like to "tit fuck" her new tits? What an invitation! She oiled up & what followed was probably my best ever tit fuck. I did n't take long to cover her face, tits, bed etc with my load. We chatted for a while over a glass of wine about what she had been doing in the interim & then it was on to Round 2.

Kelly fancied using a strap on & as I trust her I let her have her way. She was gentle & I enjoyed the experience. I then fancied returning the favour but time was now short so we finished playing with her toys & some mutual masturbation. This girl is soooo wet!

In summary, if you are happy to go with the flow, let Kelly take control & you'll enjoy a mind blowing "Topshag" sexual experience. Until the next time, thanks Kelly. xx
