### The Premises:

Bit of a dump outside. Obviously a short term rental close to Earls Court tube. OK enough inside

### The Lady:

Gosha advertises as XRG Gosha on the "other" site. Photo's are accurate except for the rather worrying sore on her lip...

Slim, early 40's attractive (except for the sore).

### The Story:

I was in London for a couple of nights and thought I'd treat myself. From her profile, Gosha seemed to fit what I was looking for. Unfortunately, as is often the case, profiles and reality differ. The first and most obvious problem was the sore on her lip: It was a bit off-putting and meant that kissing was definitely off the menu. I was also expecting a little more involvement but for whatever reason, getting any sort of reaction out of her was beyond my abilities. So, being selfish, I decided to enjoy myself even if she wasn't. That being said, she was very obliging (? a little bit sub) so I took advantage and after some mish and doggy, helped myself to a dollop of lube and slipped first 1 then 2 fingers into her arse. As she didn't object, I then squeezed my dick in there. She was tight at first and it did take a few attempts but we got there in the end. Oddly enough, even having her arse pounded didn't cause any reaction from her. I continued like this for some time - well it was VERY nice :-)) but eventually, she pulled out and turned over for some OWO. Again the sore was a worry but by this time all sense was gone so I let her whip off the condom and go to work. It didn't take long to come and to my surprise, she swallowed the considerable load with a big smile on her face. We'd only had 35 minutes of the hour by this time, so I was looking forward to a massage or even round 2 but it was made plain that my time was up.

So, mixed feelings about this one: On the one hand, the sore and timekeeping were a definite negative. On the other, she's very obliging and ?90 for anal, OWO, CIM & swallow isn't a bad rate. Gosha's back home in the Czech republic at the moment but will be back in London next month.
