The Lady:

Cripes - a really tight, toned, athletes body, with lovely breasts and nipples AND she's good looking too. Sort of the complete package really.

The Story:

Upon entering the flat we had a nice kiss and a quick chat. Demi ran the shower for me and got me some orange juice. After the shower she gave me a really good massage on the bed, a nice, hard, muscle popping massage followed by some light touch fingers across my back and then cupping and stroking my balls, which was a real turn on. I turned over to start kissing and she soon had me rock hard with kisses and rubbing my cock. Then we moved to 69 with her on top; she has a lovely pussy, and her oral (which is with condom) was lovely and deep, and she allowed quite a bit of anal play too. Eventually we moved to sex, and while we started in mish, the real highlight for me was having Demi on top of me riding me so I could watch her sliding up and down on my cock. The final act was doggy and I finished over her bum. Another shower and a nice chat afterwards and we said our goodbyes; I fully intend to go back for another visit which may well be the second of many to come.

Thanks Demi. xxx
