The Premises:

Nice area, plenty of free off street parking, no problems re safety. However the flat is behind a parade of shops and this area is slightly run down. Up a flight of steps to a parade of flats.

The Lady:

Lucy has had to change her name to Roxi, she is 5ft 5ins, 21 yrs old and stunning, golden tan, long blonde hair with extensions and crisp blue eyes - a stunner!!!!

A fit, fit, fit toned body, very small tits but perfect and wow what nipples.....shaven pussy and my god what toned skin (often asked why do you punt? stroking a firm young female body) what heaven.

The Story:

The flat and room a bit grotty, however not a concern, Lucy came into room smiling ear to ear, friendly and warm hearted, we discussed options decided as first time to have blow job and sex, she offered much more i/e kissing, facials and possibly anal but I went with safety first to 'road test'

Lsaying on bed and stroked my knob to hardness, then on with hood and oral, whilst I stroked her pussy (what a pussy mound!!!!) plenty of eye contact and all the right noises, then fucked her on top great sight and then me on top, her cunt was soooooo tight!!!!

Superb eye contact a little dirty talk, then I filled the bag - lovely,

I will be back and have more of the extras - a great young minx!!
