The Premises:

I saw Elouise at a very discreet flat close to the town centre but on a reasonably quiet road. The area was safe, the flat clean and well kept. The room had an en suite shower room. I was very happy with the venue, and with the very professional telephone booking arrangements.

The Lady:

Elouise is a sexy dark-haired beauty. Petite (she says 5' 1" and I believe her) and size 6 to 8. She is very attractive with nice, pert boobs and a wonderful bum. She greeted me in black lingerie and with a lovely smile.

The Story:

Elouise is chatty and well able to make you feel at home. She asked me if I'd like a drink and kissed me before we talked about what I would like to happen. She was extremely obliging and was very happy to go along with my relatively vanilla requirements. After stripping and spanking her, she gave me a fabulous blow job to completion, and I was happy to return the oral favour. After a bit of a chat and some recovery, we got down to it again and we fucked in a variety of positions, with Elouise showing every sign of enjoying it. Elouise is an absolute delight and I hope to see her again soon.
