The Premises:

4th floor flat in ancient but safe block. Take the lift, though. Easy access. Large enough, and the water in the shower is hot.

The Lady:

Petite, smiley, very attractive. Ample (enhanced) breasts on a slim, fit frame. Some discreet enough tattoos. Even more vivacious than her photos show.

The Story:

I'd read the reviews and mailed a fellow punter who was very enthusiastic, but even then I was truly surprised by the sexual explosion that is August. She's chatty and rather scatty to begin with and you may feel time is passing when all of a sudden you are engulfed in sex. We started off with an oily boob wank interspersed with voracious oral, which she managed to accompany with an extraordinary toyshow.

"You cum two three times. Much as you want," she said, and I was glad I took the lift and not the stairs.

Cuddles, and massage and more OWO and off we went again. And RO and cowgirl and then I finished with full power anal with August working on herself with the vibrator and announcing her orgasm loud enough to cap the building work at Tottenham Court Road station.

August is a unique experience. Truly friendly, intimate in all kinds of ways, and a real enthusiast. You'll never get a girlfriend to be this happy and this mucky.

We cleaned up together in the bathroom. It almost felt like we were sharing the place. I'm hooked.
