The Story:

Erica is a very sweet lady with a gently sexy way about her. She has a nice habit of giggling and 'oohs' at regular intervals and a reassuring calm about her character.

We chatted easily from the off and things happened almost unnoticed, which was rather a pleasant way to go about things.

When you don't quite expect a lady like Erica to do things, she does them, whether it be taking off items of hers or your clothing or letting her hands wander, she does them just as you are thinking you want her to.

So we meandered through all the things one does and the easy chatter never lapsed unless mouths were fully occupied.

Those oohs go rather nicely with sex, I have to say.

A really nice time with a really pleasant woman so no wonder she has a long list of regulars.
