The Premises:

An end terrace council house. Not discrete but not busy either. House was just a working pad, dirty, messy, unkept. Not encouraging.

The Lady:

Jordan is OK. Short, a few extra pounds - which is how I like a lady to be if I'm honest. Well endowed, fair of face. Trouble was she was short with me on the phone (which should have been a warning), and didn't make eye contact when I went in.

The Story:

There are lessons in life every now and then. This is one of them. Today marks the end of my punting career (as infrequent as it's been). This has to be one of my worst experiences in life to date.

Jordan advertises as Juicy Jordan 23 on ** and on touch local.

Seriously - just don't bother guys.

I'm happy to tell the admin more details if they request it. I'd rather not give out specifics here of what happened because frankly I left scared of this lady.
