### The Premises:

Terraced house which is much nicer in than out. Bedroom very tastefully decorated and bathroom fine with clean towels and hot shower. Easy on road free parking outside. Door opened by maid who was polite and pleasant. I was offered a drink, which declined as I had brought my own.

### The Lady:

WOW! I am not given to overstating on these reports but Sophia is really gorgeous. Superb tanned body, slim with great boobs and lovely legs. This young lady is seriously FIT!

Facially, her almond shaped eyes add to her sexiness and her soft lips are made for kissing, which she does freely! All in all, a stunning lady!

### The Story:

Within a few minutes of this encounter, I asked Sophia if I could book her again, some weeks ahead when I am next in Leicester. I knew even then I wanted to return!

I had stripped and was waiting for Sophia on the bed and she came in, whipped off her sexy underwear, leaving on her hold-up black stockings. We then proceeded to have a true GFE, so much so that we spent as much time chatting as we did having sex, often doing both at the same time. Sophia is a natural conversationalist and I should think she would make a fantastic escort for anyone wanting an intelligent, charming and chatty partner for a dinner date etc.

I felt totally at ease and having sex with such a gorgeous young woman who seemed to be enjoying herself too was a wonderful experience. My only regret is that my inability to maintain an erection put anal out of the equation. Next time I will definitely make sure this is on - even if I have to take 2 Viagra! I was trying to think of something negative and the only thing I could think of was that oral is with whereas I much prefer it without the cover, but even this was done so well I soon forgot the mac was on.

Thank you, Sophia, for a memorable experience. I cannot wait for the next encounter. I have already started looking for those CDs we discussed.
