### The Story:

I had been looking forward to seeing Miranda for quite some time and was certainly not disappointed.

Due to a minor domestic crisis, (her water supply had been unexpectedly turned off for a brief while), I was greeted by Miranda in her everyday clothes of jeans, trainers and top. Actually, this was really nice as she looked fantastic in those and I think would most probably look fantastic in whatever she wore. Needless to say, she did change for the most important part of the meeting and her profile is very accurate as to her appearance! She says on her profile that "there is nothing fake on this gal", and she is absolutely right.

Miranda is a petite woman in her very early thirties with long dark hair and a beautiful pair of boobs. She is absolutely delightful company and it must say a lot to those of you reading this that I have already arranged an overnight meeting with her in a few weeks? time.

I arrived at noon and in fact did not leave ?till almost four in the afternoon and there was certainly no clock-watching by her whatsoever. I think I can safely say that it was one of the nicest afternoons I have ever spent and I am very much looking forward to seeing her again.

So if any of you are wanting a meeting with a very genuine, very attractive young lady who is fantastic in bed, then search no more! You have found her!!

Yes, I know this FR is perhaps a wee bit over the top but although I was expecting an attractive woman, I certainly was not expecting someone as gorgeous as Miranda.
