The Lady:

Amazing body, dressed as schoolgirl. Awful hair - like straw. She is the girl in the photos but the photographer did a great job; she is pretty but not as good as the photos suggest. Fabulous arse, great big tits, slim long legs (excellent). A few tattoos which I don't like but whatever.

The Story:

She was very keen to get me to finish which annoyed me because I am not a 2-shot guy. I like to take my time but she wanted to get it all done. I did her in many positions which was ok but her oral was awful. For someone as experienced as she is I was surprised how poor her bj technique is. She has a fab body so I most enjoyed just watching her from a distance! Her English is very poor so she doesn't understand what I want (or pretends to not understand). I told her I was going to CIM which she took after some protest but refused COF. Overall a poor punt but she does have a fantastic body!
