The Premises:

Met Bionca at a little cottage she was staying at for Easter weekend. Took a little bit of finding towards the end, but that was my fault - if I had followed her directions properly, I would have had no trouble! Nice little cottage, with a jacuzzi outside... Naturally, we made use of it!

The Lady:

Bionca is absolutely gorgeous. She's slim, with nice pert breasts, an amazing bum, and one look into her eyes will have you under her control. She's just an absolute stunner, especially with wet hair...

The Story:

Bit of OWO, some shagging in various positions, into the jacuzzi for a bit of slap and tickle under bubbly water, then back inside where I had a very enjoyable time with my head between Bionca's legs (various spasmodic body movements suggest the enjoyment wasn't just on my side) and finishing off with more OWO and shagging. Lots of kissing and groping in between. I believe Bionca offers anal too, but I was having so much fun doing other stuff, I forgot to ask if she was up for it.

Definitely needs a repeat performance. Great girl.
