The Story:

This was a very excelent punt at this regular haunt of mine, katy was very attentive to all my needs and the offer of extra services was offered here and let me tell you i like to go diving and the pool was very wet indeed

below and the noise was good to i could not hear my self think but that could have been the gripping of the leggs against my ears at the point of the peak of the performance
massage was excelent time was superb and no rush and a completed happy ending i woud say was had by both party.

This is a must see girl guys im going back saturday as she is working again thx Katy xx Chef
