The Story:

I have been to see Lara three times over the past year and every time has been fantastic. She never remembers me though, or doesn't let on if she does! She is very chatty and I could easily have spent the entire time just talking to her. I can't tell if she really enjoys her job or is just a good actress, I suspect a bit of both, but she seems to make you feel really relaxed and at ease and appears to really enjoy it all. Lara seems to be extremely spontaneous and lives her life that way - I love listening to her stories. A real GFE that leaves you wanting to take her away on a holiday...Libya would be nice!

Anyway, a fantastic massage, with oil, body slide, oral and sex. Lots of deep kissing. I walked out wishing I had time to stay longer.

There are other beautiful girls at Soft Touch but I think I will always go back to Lara. Hope she doesn't move on for a long time!
