Close to new supermarket, very good area, directions were poor, a little tip, when receptionists says its opposite the supermarket its not, its on the same side of road (near roundabout) once this has been made clear its well worth the effort!

The Lady:

Thai lady with all the skills, the pictures on website are her and what you see is what you get!

The Story:

Excelent massage skills, french and sex, no problem changing positions, well up for it and got the feeling that the hour for ?100 service she could be a right handfull when she lets her hair down! Another girl listed on website, will see if they do a duo when I get paid! One for the scrap book this.
