The Premises:

Apartment near to Vue cinema on Kirkstall Road. OK for purposes but there were a number of people smoking when I got there and the smell of smoke was very strong on my clothes as I left.

The Lady:

30 years old, average looking, medium height, medium build with small breasts and a saggy stomach.

The Story:

Offered 2 girls on arrival - one was very old and unattractive, the other was Katie. Katie had been described as a 23 year old stunner, slim and very attractive. This was a complete misrepresentation that goes beyond the usual exaggeration one experiences in this game.

A number of other reports talk about how attractive Katie is but I just didn't see it. When she walked into the room I thought I'd stick it out as she may just have a cracking body hidden under her tunic. To say I was disappointed was an understatement, Katie was not as described and had an unattractive body, stank of fags and down below was best avoided. I settled for a massage and oral with as I couldn't bring myself to shag her which is a first for me. I came and left and luckily had nobody at home waiting for me as the smell of fags was unbearable, not a place for those who want to be discreet about where they've been.

Katie is a very sweet girl with a great personlaity who provided an OK service but she just isn't that attractive and the smokey atmosphere is just not for me.
