The Premises:

Pam's flat is easy to find in a relatively quiet side road off of the High Street about 2 minutes from the tube station. It was small but nice and clean. The living area was a bit messy but the bedroom was spotless.

The Lady:

Pam greeted me in a sexy figure hugging red silky evening dress, her hair was in a plait hanging to one side of her neck and she looked absolutely stunning (and later on reminded me of Britney Spears). She is a wonderful girl, full of energy, vibrant and talkative. She offered me a glass of wine and she made me feel quite relaxed.

The Story:

I originally booked my appointment for 12:00 noon but it seemed Pam was out and unable to get home in time and had to delay it for 13:30. This meant I had to traipse around London for a bit wasting time, but I asked for a discount and got ?20 off so not bad there.

It was obvious she was keen to get started but I needed to use the toilet and she suggested I take a shower. I asked her if this would eat into my time with her but she replied 'don't worry'. Once I returned I asked her if she could wear some stockings as I requested to the agency, but she said she couldn't find any.

Pam likes to take the lead with things. She was all over me, kissing (no DFK), rubbing her well lubricated tits over me and some OWO, but for some reason I wasn't 'reacting' to it. She tried her best and soon got me ready for sex and she wanted to go on top, but I felt with my condition it was best if I did. Maybe I should of shut up as nothing really improved and so I pulled out and she gave me a hard fast hand job with some more OWO and soon I exploded over her magnificent titties.

We both showered and had a chat while drinking more wine. I thought we would start a round 2 soon, even though I knew I wasn't up for it, but time had flown and bang on 14:30 she said I should get dressed, I guess that initial shower did eat into my time.

Overall I was a bit disappointed with the whole experience, but that is not Pam's fault so I can't blame her. Although if I knew it, I would of been much quicker in the shower.
