The Premises:

I'm told that this is a relatively new parlour, on a side street with discreet 5ft rear entrance. Safe area but parking only available on nearby streets. Clean interior, comfy bed. Room I used had en-suite toilet and shower.

The Lady:

Attractive mid 20's lady, about 5ft 8ins or so, size 12 or thereabouts, nice breasts guess about 36. Dressed in black basque, stockings and thong.

The Story:

My first parlour experience, Natasha was friendly and chatty, put me at ease straight away, lay beside me and opened up the proceedings with a very pleasant french kiss. After helping me off with my clothes she undressed, more kissing along with some nice hand action. Found that she seemed to like her clit massaged. Hour went by very quickly, kissing, cuddling, handjob and the most erotic blowjob you could imagine. Sex in couple of positions to finish. Not a rushed service and this lady gets my vote. Will I return??? DEFINATELY !!!!
