The Premises:

In Soho, on a busy road, but safe enough. Small, but clean bedroom, and bathroom was also fine. Shared flat with other girls.

The Lady:

Wow, as per her pics on the site! Very small, (5 ft or even less), enhanced tits, and great body. Tattoos and piercings as per website photos. Dressed as I had requested, in the white bikini, as per her photos.

The Story:

Just one look at her in that outfit, with her smile, and tits bursting out of her bra, and I thought: Wow! hit the jackpot, it's going to be a heck of an hour! I was rock hard upon first sight.

After a solo shower, and with the money handed over, it was unfortunately all downhill, I'm sad to say!

I was offered a massage to start with, (which was the last thing on my mind!!), and then after complaints of being too hot, was refused: kwt, cim, and even doggie position. Also I was asked to come more quickly on 2 occasions. I was offered owo, which was ok, and fps in 2 positions. I didn't expect A levels, so this wasn't an issue.

High marks from me in terms of appearance, but low in service.

If she doesn't feel like working and is too tired etc, then ideally she should reschedule the booking! I'm not sure if it's her fault, or the agencies, or both, but it's not acceptable, and I won't be back.
