Usual Annabella's MK flat. Functional & clean.

The Lady:

Hmmmm - yum! Lovely curves, in all the right places & with her tight short dress on, very Jessica Rabbit! Probably the best pair of boobs I've ever seen - no word of a lie, just fantastic - they really need to be seen (& fondled & sucked) to be believed...

The Story:

No sordid details, but top notch services. Unfortunately no OWO on this occasion due to her dental treatment, but that's fully understandable & she would if she could. Other than that, a really cute young lady who'll put a smile on the face of the most miserable old git! Language isn't her strong point, but she's learning & bearing in mind the relatively short time she's been over here, she's doing well.
