The Premises:

crystal`s directions were perfect! Very easy to find. There was ample parking spaces, which I felt secure in. She has a very discreet back entrance into her property which made arriving & leaving a very comfortable experience. Her house was lovely very clean and well looked after

The Lady:

On arrival Crystal greeted me with a gorgeous welcoming smile. Instantly she engaged in conversation & listened before answering. She was dressed as I requested. I cast my approving eyes over her outfit. I had asked her to wear her pvc outfit with her long black boots! She looked fantastic, i could hardly believe my eyes. She offered me refreshment before leading me up to the bedroom.

The Story:

I chose to have strap on session. Crystal took her time to ensure I was relaxed with a sensual massage, followed by her dipping into her bag of toys & ensuring I was in the right place physically & mentally before she put me to the sword! ;-D

Crystal was very good with her strapon! She knew the right positions for maximum pleasure & within minutes, she was hitting my sweet spot.

She teased & probed, working me up to a sexual peak! The release was sensational! As I recovered Crystal engaged in conversation while I collected myself. At know time do you ever feel rushed & that adds to the moment.
