The Premises:

First floor flat in a street that is 2 or 3 minutes walk from Russell Square underground station. Felt perfectly safe. Pasis has just started in this flat but it already has all that is needed and more. The bedroom oozes style with lots of personal touches - just like Paris herself!!

The Lady:

Stunningly beautiful - quite awesome! Quite tall 36DD, long brown hair.

The Story:

Paris is special. Formerly Paris of Soho and the a HoD girl, Paris has very recently (last 2 weeks) gone independent. I had not seen her before but booked on the strength of some comments on the Punternet message Board (thank you!!). Not only is Paris stunningly attractive (see her brand new website) but she clearly really loves escorting. I love to talk as well as enjoy the sex and so does Paris. Very flexible - although no anal which does not matter to me - and keen to make sure that you have a really good time.

Thanks to review sites, I have met some wonderful girls and had some great sessions over the years but I honestly struggle to think of a nicer girl or better session than this. Needless to say - I will return!!
