The Premises:

Clean flat close to Sudbury Hill tube station. I did not have any security concerns.

The Lady:

Cristal has a delightfully slim, petite figure. The pictures on her profile are accurate (except that the clit jewellery has now gone). When I arrived she was dressed in a minute bra and panties but was quick to ask whether I would prefer her to keep these on or take them off right away.

The Story:

I received a warm welcome on my arrival and she left the room only very briefly to put the money away. Soon she was back to help me complete my own undressing and wanted to know what I liked most. In no time we were both naked on the bed and enjoying a warming cuddle. (It was a cold day and I was a bit chilly when I arrived but she soon warmed me up. I had a thoroughly enjoyable session of RO, OWO, cowgirl, doggie and mish. I don't think DFK is her thing (I didn't press it) but she doesn't claim that it is. If you like petite, friendly Spanish girls and DFK is not essential to you, a visit to Cristal is highly recommended. I look forward to seeing her again soon.
