The Lady:

She is certainly as pretty as the pictures make her look but older than 25 years that the website claims. Max - you have an honest website relative to others - get the age atleast a little more right.

The Story:

Loved her body, that innocent fuck me face and the way she made me feel like a tiger. Nice BJ, then me on top which was great because she looks at you like you have gotten her to heaven. Then she on top which was a little less likable as she is not that fit and for a girl to be good on top means you got to be fit. Yet a lovely finish watching her tits bounce on my face. Thanks Soozie!
