The Lady:

Shelly is quite stunning in every respect. She's tall, even without heels, beautiful and has the best body I've ever had the pleasure of. Long slender legs, perfect breasts, tight tummy and a very, very nice bottom. Everything in it's right place ;)

The Story:

We had a quick drink and chat when I arrived and Shelly started to kiss me on the end of the bed. After a couple of minutes we undressed, Shelly peeling off her short dress to reveal black bra and knickers. The bra came off to reveal her gorgeous breasts. Shelly's body is very striking - you could stare at her for hours, but understandably i wanted to move on ;)

We hugged and kissed and I lay on the bed with Shelly on top, more kissing (she really loves the kissing). She then moved down my body and gave me a fantastic BJ(w/o) before grabbing a condom and riding me. Warning, it's hard to keep control when Shelly's fit body is grinding down on you and she's snogging you at the same time!

After this I went down on Shelly - tastes wonderful - then spun round for some more, with Shelly playing with my balls.

By this time, time was moving on so after some brief missionary and (which I'm bad at, so gave up ;)) Shelly rode me again all the way to one of the best orgasms I've had in a long time.

There are lots of things that stand out about Shelly:

1. The great body.
2. The kissing - she loves it! Makes for a much more satisfying experience.
3. Oral - the whole hour was interspersed with plenty of oral, something she says she enjoys and which I'm not going to argue with ;)
4. Personality. If it wasn't for the money you wouldn't have the slightest feeling that you were with an escort. Definitely the most natural feeling, eager to please escort I've ever met.

To sum up, Shelly is an exceptional woman who I have no hesitation in recommending. Go treat yourself.
