The Story:

I'd been looking to book Alicia for a while now but never saw any reviews.

Alicia is a curvy but toned beautiful young lady with a fantastic pair of tits.

She is fun, bubbly and very well spoken. ?We made great conversation which in return made me feel relaxed.

Alicia gives a fantastic massage and then she knows how to get the party started!

She done things to me I'd never felt before.

Great use of hands and she has this trick with her tongue that sent my cock wild!

I'll be returning to see her next month for my newly found monthly treat!

45mins of pure satisfaction!
