The Premises:

I have been to the place a few times, very easy to reach, and very clean.

The Lady:

Wow! Shareen resembles a few Bollywood actresses, was thinking of Raveena Tandon but more like Sushmita Sen, but lighter complexion. She has a very captivating smile and seductive eyes that just draws to you her. She has a well shaped body and a bum to die for!

The Story:

Initially I was to see Jada but was there early and noticed Shareen was available so made the switch, later apologized to Jada but promised to see her the next time.

From the moment she entered the room, she was hugging me and we stood for a few minutes, me behind her rubbing her, fondling, etc. After disrobing, she put a cover on and have me a great CBJ (wish it would have been OWO but not at this place!). She asked to me sit on the bed she on the floor and did CBJ with her behind facing the mirror. I could see her beautiful ass while she was playing my balls. It was out of sight.

We did it in several positions and then we chatted for a while and then time to leave.
