The Premises:

On a main road with a discrete back entrance to a fairly nice split level apartment. I would say it's a nice part of north London, so no issues with security. Parking might be difficult during the day.

The Lady:

Victorya is a 30 year old dark blonde with a nice firm figure, size 10 with a 36C/D cup. Absolutely gorgeous specimen from Hungary.

The Story:

This is my second visit to see Victorya after seeing her on the site. On our initial encounter she did not warrant a good or a bad report but it seems she has either warmed up to me or she has learnt a whole new bag of tricks. Her English is limited but it did not really hinder this encounter. Don't let the pictures mislead you; she is miles better in the flesh with a stunning figure and face for a 30yr old. She provides all services as listed but only thing lacking is kissing but I can handle that. She gave prolong OWO and 69 for about 30 minutes then onto sex with her on top and that was fantastic and then missionary and doggy to finish. Go and see her guys before she goes back home.
